Martin Luther
points to move between them over land.

Non-motorized water craft are allowed in three areas of the River Walk. Please note, these trails are not connected and users will need to use the proper access points to move between them over land.

- Historic Downtown Section, near the King William District, between Nueva and South Alamo Street, with the access point off of East Guenther Street.
- Eageland Section between South Alamo Street and the railroad bridge north of Lone Star Boulevard, with the access point just north of the railroad bridge.
- Mission Reach from Lone Star Boulevard to south of Loop 410 near Mission Espada.

Rivers are ever-changing, dynamic systems with inherent dangers, so please remember the following safety tips:

- Inflatable boats or water craft and paddle boats are not allowed.
- Make sure your paddling skills are equal to the water conditions and proceed at your own risk.
- Paddle with at least one other person.
- Know your limits of swimmers rescue and self-rescue on rivers.
- Tell someone not paddling with you of your paddling plan and stick to your plan.
- Make sure your equipment is in proper working order.
- Check weather and river conditions prior to paddling.
- Always wear a properly adjusted, Coast Guard approved personal flotation device and bring a whistle or other sound producing device for use in emergency situations.
- Reduce injuries by wearing protective footgear and carrying drinking water, sunscreen and insect repellent.
- Pack out your trash to help preserve the river; no glass or styrofoam containers.
- Please do not feed the wildlife and keep your pets on a leash.

For non-emergencies, please call 210-207-7273.

For emergency assistance, please call 911.

Mission Reach from Lone Star Boulevard to south of Loop 410 near Mission E. Theo Ave.
- Keep your life jacket within reach of everyone on board.
- Carry a floatation device and bring a whistle or other sound producing device for use in emergency situations.

South Alamo Street, with the access point off of East Guenther Street.
- Stay to your right on the trail, leaving room for others to pass you on your left.
- Be aware of your surroundings; if listening for approaching pedestrians, stop and listen or slow down when sight lines are poor and when others need to hear you.

Lone Star Boulevard, with the access point just north of the railroad bridge.
- Pass on the left; let all others on the trail.

Southtown
- Everyone safely enjoys the hike and bike from Brackenridge Park to Mission Espada.
- Tread lightly and watch your step on water crossings and around steep riverbank drops.
- Respect the rights of others to enjoy the trail without interference.

Emergency Call Box
The San Antonio River Walk boasts over 15 linear miles of continuous trail along the river through the center of the city from Brackenridge Park to Mission Espada. All hike and bike trail users should be prepared, safe and courteous and observe posted hours for trail use. Proper hike and bike trail etiquette will help ensure that everyone safely enjoys the hike and bike trails, so please practice the following:

**Pedestrians:**
- Stay to your right on the trail, leaving room for others to pass you on your left
- Be aware of your surroundings; if listening to music, keep the volume low enough to hear external voices and sounds
- If there are small children in your group, make sure they stay by your side and safe from other traffic on the trail
- Keep your pets on short leashes — leashes going across the trail can be hazardous to others — and please pick up after pets
- Come prepared to enjoy the trail by wearing proper shoes and by bringing water and sunscreen

**Bicyclists:**
- Always wear a helmet
- Pass on the left; let all others on the trail know you are approaching by calling out “Rider(s) on your left,” and thank them after passing
- Be aware of your surroundings; slow down when sight lines are poor and when approaching pedestrians
- Ride at a casual speed; streets are more appropriate for higher speeds
- Come prepared to enjoy the trail by making sure your equipment is in proper working order and by bringing water, sunscreen and an extra tube with tools

Please use caution as some hike and bike trails and paddling trails may become closed for repairs or maintenance. Please visit www.sara-tx.org for new trail openings or closure notices. Pavilion reservations are also available online.

The San Antonio River Walk is open 365 days a year. Most of the River Walk (from Mulberry to Eagleland Plaza) is open 24 hours. However, the hours of operation for the River Walk through Brackenridge Park are 5 a.m. to 11 p.m., and the Mission Reach section of the River Walk (south of Eagleland Plaza) is only open from dawn to dusk as a natural area.

For emergency assistance, please call 911.
For non-emergencies, please call 210-207-7273.
